

Hormone Health Programme

A Comprehensive Hormone Test (M or F) is included in this programme which features leading-edge treatments to encourage self-regulation of a range of Endocrine Disorders.

Duration – 6 months; Cost - £3500

This programme is “Clinician Recommended” following an Optimal Health Assessment which is not included in the Programme price.

Programme Clinical Lead – Bridget Batty BHSc (Naturopathy) - Naturopath, Nutritional Therapist and Herbalist; bridget@healthoptimising.co.uk

Our Health Optimising Programmes are bespoke and offer you guided support from an experienced Clinical Lead. Free access to our Clinician OnCall Acute Same Day Service is also included (please put the Hotline number - **020 3951 0457** - in your phone now) Programmes represent an average 20% saving over booking treatments individually.

INDICATION OF LEVEL OF SUPPORT INCLUDED

Your programme will be individualised based on your personal health picture. This is an example of what an average programme could look like to give you a guide as to the type and number of assessments and treatments which may be included.

Monthly Review with Senior Clinician (x6)

We recommend Monthly Reviews throughout the programme to demonstrate improvement and to highlight where work is still required.

Monthly Nutrition Consultation with Nutritional Team (x6)

The application of the science of nutrition to develop a specifically tailored nutritional medicine plan for the promotion of optimum health and performance.

Advanced Lymphatic Drainage (x4)

The status of your lymphatic system is important for improving immunity, draining excess fluid, absorbing & distributing fat soluble nutrients. Includes a light cleansing massage with indicated essential oils to further encourage lymph drainage.

Mindwork (x4) – your Senior Clinician will advise between; Well Mind Psychology

Supports you in reconnecting with your inner emotions and feelings to achieve positive emotional and mental wellbeing in a safe, caring, transformative and collaborative way.

Empowerment Therapy

Supports you, both emotionally and practically, to navigate your Health Optimising Programme, make lifestyle changes and overcome any obstacles.

Pulsed Plasma Light Therapy (x6)

Encourages self-regulation to quickly reduce the impact of the microorganisms which can cause stubborn infection.

The Rehabilitator using Papimi (x10)

The Rehabilitator's unique magnetic nano pulses stimulate the self-regulation of symptoms but also the deeper source of health problems identified at the cellular level.

Nitric Oxide Treatment (x6 – 10 minutes)

Direct Nitric Oxide (N-O) treatment using Plason medical technology for healing through improving vascular circulation and tissue oxygenisation.

NOT INCLUDED

Will always be an additional cost.

Medical Thermography (MT) Study - HD Imaging Screen.

A full body health discovery tool, particularly beneficial for breast health as well as spine, abdomen, low grade inflammations, cardiovascular disorders, musculoskeletal disorders, diabetes and hormonal disturbances. Uses the highest resolution camera to visually record and give a very accurate location of any physiological changes and metabolic processes. Study analysed by full time and experienced interpreters in the USA who have reviewed thousands of thermograms using specialist software.

Highly Recommended (COST – see website)

TERMS & CONDITIONS
